HOPE OUT LOUD

A STORY OF **HOPE** IN THE FACE OF TRAGEDY.

JEN'S STORY

On a crisp November evening in 2006, Jen Barrick, at age 15, had just had the time of her life singing in her choir as a blossoming, radiant young woman. But in the blink of an eye, everything changed for Jen and her family-- her father and mother, Andy and Linda, and her younger brother, Josh.

A NIGHT OF TRAGEDY... A LIFETIME OF GRACE

One mile from home—barreling toward them at 80 mph, with no headlights, a drunk driver slammed head-on into their minivan. Jen suffered the most life-threatening injuries and it was feared she would not survive through the night. But thanks to thousands of prayers and the miraculous healing hand of God, Jen survived, as did the entire Barrick family.

Yet, the road to recovery has been long and grueling. Jen remained in a coma for five weeks, having received severe traumatic brain injury and multiple skull fractures. Yet little-by-little Jen began to recover, and miracle-after-miracle began to unfold.

Jen would talk to God out loud and praise Him continually as if she could see Him standing right beside her in the hospital room. Everyone — even the doctors — knew that God was at work. There was no other explanation. God was whispering “*Hope*” in Jen’s ear.

Come February 19, 2012 at 6pm to Kindred Community Church and hear Jen & her family share their amazing story and how God took a night of tragedy and gave a lifetime of grace.
